Sustainable Seafood

# Canned Seafood

## Wild Sardines, Albacore Tuna & Salmon

Just 100% premium grade natural fish and nothing else!

- ✓ All Natural
- ✓ Lean Protein

♥ Healthy Omega-3's

Maximize the Health Benefits of Seafood

- No Preservatives
- No Antibiotics
- No Added Chemicals
- No Hormones

# Canned Seafood

## Wild Sardines, Albacore Tuna & Salmon

Our mission is to be your family's trusted source for the world's healthiest, safest, highest quality sustainable seafood...naturally. We guarantee you have never tasted canned seafood like ours. We use only the best part of the fish, it is hand packed and cooked once in its own natural omega-3 rich oils. It's wildly delicious; we eat it straight from the can. *Henry & Lisa*

## There is no other seafood company like ours!

- Our **premium quality** seafood is frozen or canned within hours of harvest. We quick freeze all of our frozen seafood at super-low temperatures with the latest technology, locking in peak freshness.
- We proudly offer **seafood exclusively from environmentally sustainable fisheries**. Our independent Seafood Advisory Board (comprised of world-leading marine conservation scientists) reviews and approves all of the species we offer.
- Our seafood is **independently tested for contaminants by Seafood Safe**, helping consumers maximize the health benefits of seafood.
- We care deeply for the future of our planet and the world of water, from how we source our seafood, to the renewable energy that powers our office, to the many marine conservation causes we support. **Your purchase helps us further our mission.** Thank you for your support.
